

COMPANY PROFILE

WELCOME TO SAIF ENGINEERING CO

Saif Engineering Co. is a trusted industrial automation and equipment supply & service support provider in Bangladesh. We deliver advanced coding & marking solutions, high-performance machinery, and professional technical support with excellence and innovation.

HI THERE!

Founded in 2007, Saif Engineering Co. has been actively engaged in the indenting, trading, and supply of industrial process machinery, automation systems, and complete plant & equipment solutions in Bangladesh.

With efficient leadership, engineering excellence, cutting-edge technology, and a highly professional approach, we continuously strive to exceed customer expectations. Our commitment to quality and performance has been the foundation of our long-standing success.

Saif Engineering Co. follows a rigorous quality control process to ensure superior standards in every project we undertake. By continuously upgrading our industrial machinery and equipment in line with the latest technological advancements and providing customized solutions, we successfully meet the evolving demands of modern industries.

We proudly serve a wide range of sectors including Food & Beverage, Pharmaceutical, Cable, UPVC Pipes, and FMCG industries.

ABOUT SAIFENGINEERING CO.

Founded in 2007, Saif Engineering Co. is a trusted industrial automation and equipment supply & service support provider in Bangladesh. We specialize in delivering customized industrial solutions designed to meet the evolving demands of modern industries.

Our core services include:

- 1. Turnkey industrial project solutions**
- 2. Complete packaging solutions (Primary, Secondary & Tertiary)**
- 3. Industrial printing and coding solutions**
- 4. Spare parts and consumables supply**
- 5. Raw materials supply**
- 6. After-sales service and technical support**

With efficient leadership, engineering excellence, and cutting-edge technology. and a highly professional approach, continuously strive to exceed customer expectations.

Our commitment to superior quality and rigorous quality control standards has been the foundation of our long-standing success. By consistently upgrading our products and integrating the latest technological advancements with customised solutions, we effectively meet the complex requirements of diverse industrial sectors.

CEO MESSAGE

Welcome to Saif Engineering Co.

In today's fast-evolving industrial landscape, businesses require more than just machinery they require complete, reliable, and future-ready solutions. At Saif Engineering Co., we are committed to delivering turnkey industrial projects, advanced printing technologies, and comprehensive packaging systems that enhance productivity and operational efficiency.

From primary to tertiary packaging, from industrial printing solutions to spare parts supply, and from raw material sourcing to professional after-sales support we stand beside our clients at every stage of their journey.

Our strength lies in understanding the unique challenges of our customers and providing customized, practical, and cost-effective solutions accordingly. Through engineering excellence, cutting-edge technology, and a highly professional approach, our well-trained engineers ensure that every system we deliver performs at its highest standard, creating long-term value.

We strongly believe in quality, commitment, and continuous improvement. Together with our valued clients and partners, we are building a stronger, smarter, and more advanced industrial future for Bangladesh.

— CEO
Saif Engineering Co.

OUR VISION

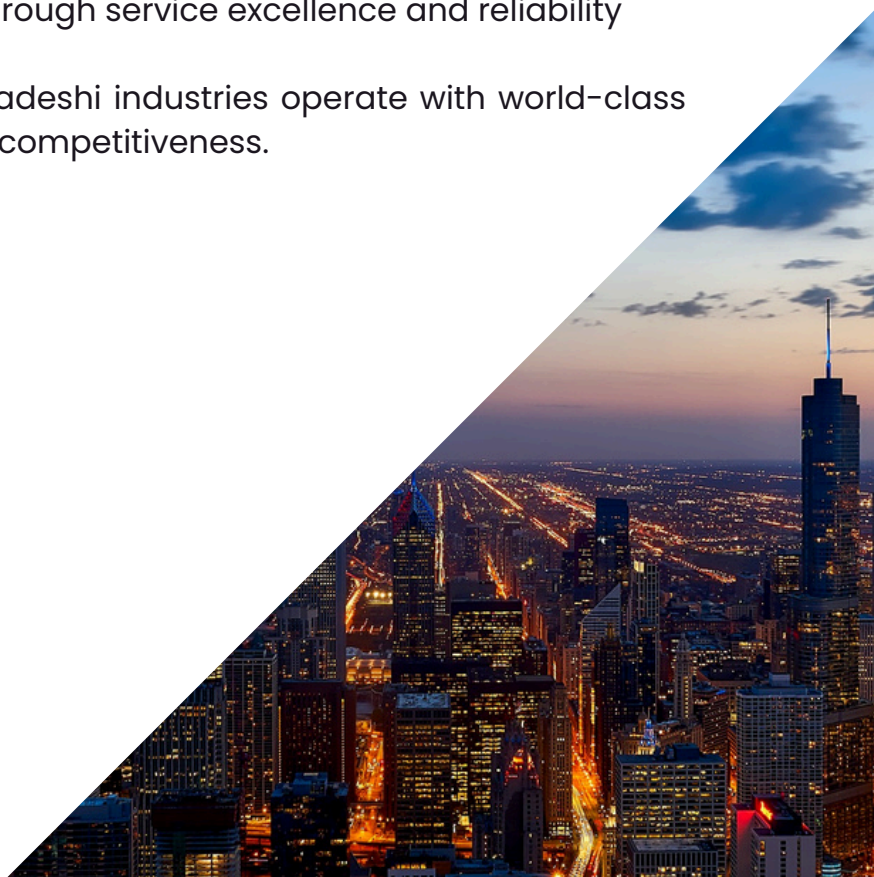

VISION

Our vision is to be one of the most trusted and innovative industrial automation and equipment solution providers in Bangladesh.

We aspire to:

- Lead the market in packaging and industrial printing solutions
- Introduce modern automation technologies to local industries
- Support industrial growth through turnkey project execution
- Build long-term partnerships through service excellence and reliability

We envision a future where Bangladeshi industries operate with world-class automation standards and global competitiveness.

OUR MISSION

MISSION

At **Saif Engineering Co.**, our mission is to deliver complete and reliable industrial automation solutions that empower manufacturers in Bangladesh to operate efficiently, competitively, and sustainably.

We are committed to:

- Providing end-to-end turnkey industrial solutions
- Supplying advanced industrial printing and packaging systems
- Ensuring consistent availability of spare parts, consumables, and raw materials
- Delivering dependable after-sales service by skilled engineers
- Offering customized solutions tailored to each client's operational needs

Our goal is to become a trusted partner in our customers' growth by delivering quality, innovation, and long-term technical support.

AFTER-SALES SERVICE & TECHNICAL SUPPORT

OUR PRODUCTS & SERVICES

TURNKEY PROJECTS FOR INDUSTRIAL SOLUTIONS

We provide complete turnkey project solutions from concept to commissioning.

Our services include:

- Requirement analysis and technical consultation
- System design and engineering
- Equipment supply and installation
- Integration with existing production lines
- Testing, commissioning, and training

We ensure smooth project execution so our clients can start operations efficiently and confidently.

INDUSTRIAL PRINTING SOLUTIONS

We offer advanced industrial printing systems for product identification, branding, and traceability.

Our solutions include:

- Barcode and labeling systems
- Coding and marking solutions
- Zebra printers
- Flatbed UV printers
- Variable data printing systems

We help businesses maintain compliance, improve branding, and ensure product traceability.

PACKAGING SOLUTIONS (PRIMARY, SECONDARY & TERTIARY)

We provide complete packaging automation solutions:

◆ **Primary Packaging**

Direct product packaging solutions such as:

- Liquid filling systems
- Sealing machines
- Labeling machines

◆ **Secondary Packaging**

Grouping and protection solutions such as:

- Carton sealing machines
- Shrink wrapping systems
- Case packing solutions

◆ **Tertiary Packaging**

Bulk handling and transportation solutions such as:

- Palletizing systems
- Stretch wrapping machines

OUR PRODUCTS & SERVICES

SPARE PARTS & CONSUMABLES

We supply genuine spare parts and consumables to ensure smooth and uninterrupted production.

Our offerings include:

- Machine spare parts
- Print heads and ribbons
- Labels and inks
- Wear-and-tear components

We prioritize quality and availability to minimize downtime for our clients.

RAW MATERIALS SUPPLY

We provide high-quality raw materials required for industrial and packaging operations.

Our sourcing ensures:

- Consistent quality
- Competitive pricing
- Reliable supply chain support

AFTER-SALES SERVICE & TECHNICAL SUPPORT

At Saif Engineering Co., our responsibility continues beyond installation.

Our after-sales support includes:

- On-site technical support
- Preventive maintenance
- Troubleshooting and emergency service
- Engineer training and operator guidance

All services are delivered by our well-trained and experienced engineers, ensuring maximum equipment performance and long-term reliability.
